

Timescapes: Exhibiting the Young Lives and Times project

The main things I like are:
• Rollerblading • making music • Drawing
• taking photos • sleeping • eating
• Football.

What are young people's lives like? Who and what is important to them?

- Come along and learn about the lives of Yorkshire teenagers through a research project which will follow them into their 20s
- Find out about the Timescapes study of family lives and relationships and the Timescapes archive hosted at the University of Leeds
